

FRIO COUNTY APPRAISAL DISTRICT TRUTH IN TAXATION WEBSITE

Property tax information for Frio County is currently available at:

www.texastaxtransparency.com/frio

This is the official website where property owners can easily access information regarding property taxes, including the amount of taxes that each respective taxing authority will impose as the assessment phase is completed.

Property owners may also visit Texas.gov/PropertyTaxes to find a link to their local property tax website.

Beginning in August, and continuing through September, the local taxing units will provide regular updates to this website as our local elected officials propose and adopt the property tax rates that will determine how much you pay in property taxes.

The website allows property owners to provide feedback on the tax rate adoption process, and provides the following property-specific information for each taxing unit authorized to levy a tax on the property, including:

- property values;
- proposed tax rates;
- an estimate of property taxes that would be imposed under the proposed rates;
- dates and locations of public hearings on the tax rates; and
- other useful information on taxing unit budgets, revenue and rate calculations.

Taxpayers are asked to continue checking the website over the coming weeks for updates throughout the tax rate adoption process.
