

AN ORDER FIXING AND LEVYING SCHOOL DISTRICT AD VALOREM TAXES FOR THE PEARSALL INDEPENDENT SCHOOL DISTRICT FOR THE YEAR OF 2022 AND DIRECTING THE ASSESSMENT AND COLLECTION THEREOF.

Whereas, the Board of Trustees of said Independent School District finds that the tax for the year 2022, hereinafter levied for all lawful expenses of the School District and the carrying out of the duties and responsibilities placed upon said School District by law must be levied to provide the revenue requirements of the budget for the ensuing year; and

Whereas, the Board of Trustees of said School District further finds that all things prerequisite to the passing of this order, including all notices of hearing, hearings, considerations of budget and all other things have been done and performed, including the hearing and notices required by Section 44.004 of Texas Education Code, and

Whereas, the Board of Trustees of said School District further finds that the taxes for the year 2022, hereinafter levied therefore are necessary to pay all lawful expenses of the District and to carry out the duties and obligations placed upon said School District by law and to provide the required sinking fund on outstanding bonds of the School District and on bonds proposed to be issued for such purposes during the ensuing year;

NOW, THEREFORE, BE IT ORDERED BY THE BOARD OF TRUSTEES OF THE PEARSALL INDEPENDENT SCHOOL DISTRICT THAT:

SECTION 1. For the further maintenance and operation of public free schools in this School District during the ensuing year and to pay the principal of and interest on outstanding bonds of the District falling due during the ensuing year, and for all other lawful purposes, there is hereby levied and ordered to be assessed and collected for the 2022, and for each year thereafter until it be otherwise provided and ordered, on all property situated within the limits of the boundaries of this School District, and not exempt from taxation by valid laws, an ad valorem tax at the rate of \$ 1.23801 on the One Hundred (\$100) Dollars valuation of such property of which \$ 0.95390 is for lawful maintenance and operation expenditure of the District and \$ 0.28411 for the bonded indebtedness.

SECTION 2. This order shall become effective from and after its passage.

SECTION 3. Upon the adoption of this order, the Secretary of the Board of Trustees of the Pearsall Independent School District shall certify a copy of this order and forward the same to the Assessor of Taxes.

PASSED, ADOPTED and ORDERED by the Board of Trustees of the Pearsall Independent School District, at a meeting at which a quorum was present and a majority of the trustees voted in favor, and at which meeting this order, in written form was before the Board at the time of its adoption, on this 24th day of August, 2022.

GENERAL INFORMATION: Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the no-new-revenue tax rate and voter-approval tax rate for the taxing unit. These tax rates are expressed in dollars per \$100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll or certified estimate of value and the estimated values of properties under protest. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or certified estimate. The officer or employee submit the rates to the governing body by Aug. 7 or as soon thereafter as practicable. Tax Code Section 26.04(e-1) does not require school districts to certify the tax rate calculations.

This worksheet is for school districts without Chapter 313 agreements only. School districts that have a Chapter 313 agreement should use Comptroller Form 50-884 Tax Rate Calculation Worksheet, School Districts with Chapter 313 Agreements.

Water districts as defined under Water Code Section 49.001(1) do not use this form. Use Comptroller Form 50-858 Water District Voter-Approval Tax Rate Worksheet for Low Tax Rate and Developing Districts or Comptroller Form 50-860 Developed Water District Voter-Approval Tax Rate Worksheet.

All other taxing units should use Comptroller Form 50-856 Tax Rate Calculation, Taxing Units Other Than School Districts or Water Districts.

The Comptroller's office provides this worksheet to assist taxing units in determining tax rates. The Texas Education Agency (TEA) provides detailed information on and guidance to school districts in calculating their tax rates. Please review and rely on information provided by TEA when completing this worksheet. Additionally, the information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

SECTION 1: No-New-Revenue Tax Rate

The no-new-revenue (NNR) tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of revenue if applied to the same properties that are taxed in both years (no new taxes). When appraisal values increase, the NNR tax rate should decrease.

SECTION 2: Voter-Approval Tax Rate

The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the rate. Most school districts calculate a voter-approval tax rate that is split into three separate rates.¹⁸

- Maximum Compressed Tax Rate (MCR):** A district's maximum compressed tax rate is defined as the tax rate for the current tax year per \$100 of valuation of taxable property at which the district must levy a maintenance and operations tax to receive the full amount of the tier one allotment.¹⁹
- Enrichment Tax Rate:**²⁰ A district's enrichment tax rate is defined as any tax effort in excess of the district's MCR and less than \$0.17. The enrichment tax rate is divided into golden pennies and copper pennies. School districts can claim up to 8 golden pennies, not subject to compression, and 9 copper pennies which are subject to compression with any increases in the guaranteed yield.²¹
- Debt Rate:** The debt rate includes the debt service necessary to pay the school district's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The MCR and Enrichment Tax Rate added together make up the school district's maintenance and operations (M&O) tax rate. Districts cannot increase the district's M&O tax rate to create a surplus in M&O tax revenue for the purpose of paying the district's debt service.²²

If a school district adopted a tax rate that exceeded its voter-approval tax rate without holding an election to respond to a disaster in the prior year, as allowed by Tax Code Section 26.042(e), the school district may not consider the amount by which it exceeded its voter-approval tax rate (disaster pennies) in the calculation this year. This adjustment will be made in Section 4 of this worksheet.

A district must complete an efficiency audit before seeking voter approval to adopt a M&O tax rate higher than the calculated M&O tax rate, hold an open meeting to discuss the results of the audit, and post the results of the audit on the district's website 30 days prior to the election.²³ Additionally, a school district located in an area declared a disaster by the governor may adopt a M&O tax rate higher than the calculated M&O tax rate during the two-year period following the date of the declaration without conducting an efficiency audit.²⁴

Districts should review information from TEA when calculating their voter-approval tax rate.

SECTION 3: Voter-Approval Tax Rate Adjustment for Pollution Control

A school district may raise its rate for M&O funds used to pay for a facility, device or method for the control of air, water or land pollution. This includes any land, structure, building, installation, excavation, machinery, equipment or device that is used, constructed, acquired or installed wholly or partly to meet or exceed pollution control requirements. The school district's expenses are those necessary to meet the requirements of a permit issued by the Texas Commission on Environmental Quality (TCEQ). The school district must provide the tax assessor with a copy of the TCEQ letter of determination that states the portion of the cost of the installation for pollution control.

This section should only be completed by a school district that uses M&O funds to pay for a facility, device or method for the control of air, water or land pollution.

SECTION 4: Voter-Approval Tax Rate Adjustment in Year Following Disaster

If a school district adopted a tax rate that exceeded its voter-approval tax rate without holding an election to respond to a disaster in the prior year, as allowed by Tax Code Section 26.042(e), the school district may not consider the amount by which it exceeded its voter-approval tax rate in the calculation this year.¹³ As such, it must reduce its voter-approval tax rate for the current tax year.

This section applies to a school district in a disaster area that adopts a tax rate greater than its voter-approval tax rate without holding an election in the prior year, as provided for by Tax Code Section 26.042(e).
